

# EQUIPMENT FINANCING SOLUTIONS

Wingspire Equipment Finance is a leading equipment financing firm that specializes in equipment acquisition financing for sponsor-backed middle market companies operating in capital intensive industries. Whether you need a complex structured finance plan, sale-leaseback for used equipment, or progress payments to satisfy vendor terms, Wingspire Equipment Finance has you covered.

Our customized equipment financing structures allow our clients to persevere capital and improve cash flow. We also help middle market companies leverage existing assets for liquidity and working capital purposes.

We offer greater certainty to close and a fast credit approval process.

## OUR LENDING CAPACITY IS OUR STRENGTH

Wingspire Equipment Finance is the equipment financing arm of Wingspire Capital, a portfolio company of global alternative asset manager Blue Owl Capital Corporation (NYSE: OBDC) with over \$165B in assets under management.
