EQUIPMENT FINANCE SOLUTIONS

Wingpsire Equipment Finance specializes in equipment acquisition financing for private equity-owned and middle market companies operating in capital intensive industries. We offer a full spectrum of financing solutions that fit the specific needs of growing companies, including credit-challenged businesses.

Our customized equipment finance structures allow our clients to preserve capital and improve cash flow. We also help sponsor-backed and middle market companies leverage existing assets to improve liquidity and obtain working capital.

OUR LENDING CAPACITY IS OUR STRENGTH

We are backed by institutional funds managed by Blue Owl Capital (NYSE: OWL), a premier asset manager with over $319B in AUM. Our firm offers clients a streamlined underwriting process, highly competitive rates, flexible financing structures, and a greater certainty to close than traditional lenders.
